

To whom this may concern, I became a XM customer, basically I was tired of all the Censorship, advertisements from the local Broadcasters. Freedom, what a concept, we have to pay for it!!! And that I do. The NAB petition 04-160 is unfair & unjust. I pay for this service from a private company, XM, and XM should dictate what I hear. The NAB should have No say in this matter. So please don't listen to these large radio & TV owner lobbyists. This is a great service. Radio, Traffic, Sports, Weather without commercials, I pay for it & enjoy it. Please don't let anyone change it! Thank You WMParker
